## PARTNER WITH US

Do you have access to a network of business relationships such as your employees, customers, students, affiliates or members?

Combining your network with our AML e-learning solution enables your organization to benefit through:

- 1. Revenue Sharing:** Receive a quarterly revenue stream simply for partnering with us to create maximum exposure of the KIXKO AML e-Learning Solution to your network.
- 2. Enhanced AML Learning:** Provide your network of business relationships with access to leading edge AML e-learning.

### OUR SHARED SUCCESS APPROACH

As a Partner, we provide you with the necessary training to enable you to sell the GO KIXKO e-Learning Courses. Training includes the necessary brochures and flyers, demos, email campaigns and other documents as well as cross promotion at relevant industry events.

## ABOUT KIXKO

KIXKO is a Barbados based provider of online training and certification in Anti-Money Laundering (AML) and Countering the Financing of Terrorism (CFT) activities. We take complex AML regulations and transform them into practical, interactive and user friendly online courses.

Our courses are expertly crafted by industry professionals across the Caribbean, providing your employees with a learning experience aimed at making them masters in detection and prevention of the threat of money laundering and terrorist financing.

### OUR COURSES

We offer initial courses and recertifications in the following areas:

- AML Orientation
- Risk Based Assessment
- Customer Due Diligence
- Monitoring & Reporting
- Governance & Oversight
